

# LAST NIGHT OF FREEDOM

---

## PERSONALISED SASH INSTRUCTIONS

---

### 1. What you will receive:

1. The number of sashes ordered.
2. The text on each sash as specified.
3. Velcro strips for each sash.
4. Order receipt.

### 2. What you need to do:

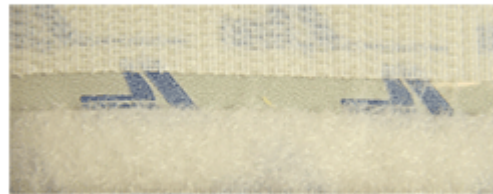

1. When you receive your sash you can trim it to length\* or to the angle that you prefer. This is not necessary but can be done if you wish to.
2. Once you have trimmed your sash you can remove the strips of Velcro and stick them onto the sash. Stick the Velcro on the inside of the sash so it is hidden when wearing.
3. Below is your step-by-step guide.

### 3. Step by step guide:

1. *Your sash as it arrives:*

2. *Your Velcro as it arrives:*

3. *Peel the Velcro from its paper to stick onto your sash:*

4. *Stick the Velcro on both ends of your sash and ensure they line up when stuck together:*

5. If you wish to trim your sash\* you can do this either at an angle or straight across:

6. Stick the Velcro at opposite ends like the instructions above:

7. Your sash should have two strips on the inside ready to stick together:

8. Stick the Velcro together and your sash is ready to wear:

9. Place over your shoulder and hit the town:

\* Please be careful if you decide to trim your sash. The text is the same distance from both edges of the sash so if you trim too much off the text will look too close to one end.
